About Me

I'm a Creative **UI & UX designer**, **HTML Developer**, and **WordPress developer** based in Indore (Madhya Pradesh) India. I having 12 years of experience in relevant field.

My expertise lies in conceptualizing and designing engaging software products that are both aesthetically appealing and highly functional. With strong problem-solving abilities and creative skills.

I am able to deliver effective **"USER-FRIENDLY DESIGN"** solutions that satisfy the needs of both the customer and the end-user.

Experience

Sr. UX UI Designer
Imenso Software, Indore   June 2017-Present

As a UI/UX design team lead, I am responsible for supervising the design process and ensuring the creation of visually appealing and user-friendly products for our target audience.

Sr. UX UI Designer
Chapter247 Indore   Dec 2016 to May 2017

As a Senior UI/UX Designer, my role involves designing user-friendly interfaces through research, wireframing, and collaborating with other teams to create visually appealing products.

Sr. web faculty
Framebox Indore   Sep 2015 till Dec 2016

I train individuals and teams in web design and user interface development, focusing on layout, typography, color theory, and imagery to improve the user experience and website effectiveness.

Sr. Web Designer
MMF Infotech, Indore   Aug 2014 till Sep 2015

I design user-friendly interfaces, conduct research, implement frameworks, and collaborate with cross-functional teams to create high-quality digital experiences as a Senior UI/UX Designer.

Sr. UI/UX Designer
Engtelegent BPO Solution, Bhopal   Oct 2013 to July 2014

As a Sr. UI/UX Designer, I am responsible for creating visually appealing and user-friendly interfaces, conducting user research, implementing design systems, and collaborating with cross-functional teams to deliver exceptional digital experiences.

Web Designer
WhitePaper, Indore   Jan 2013 to Oct 2013

As a web designer, I have extensive experience in creating visually appealing and user-friendly designs for websites, mobile apps.

Web Designer
Webconnect PVT. LTD, Surat   Jan 2012 to Dec 2012

As a web Designer, I am responsible for creating visually appealing and user-friendly interfaces, implementing design systems, and collaborating with cross-functional teams to deliver exceptional digital experiences.

Web Faculty & head of Department
Explora Design Skool, Surat   Sep 2006 to March 2011

As the web trainer and head of the department, I am responsible for overseeing the training and development of students in website design and maintenance. I also lead the department in developing and implementing strategies to optimize process.
